Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.MYTHOLOGY is the science which treats of the early traditions, or myths, relating to the religion of the ancients, and includes, besides a full account of the origin of their gods, their theory concerning the beginning of all things. Myths of creation. Among all the nations scattered over the face of the earth, the Hebrews alone were instructed by God, who gave them not only a full account of the creation of the world and of all living creatures, but also a code of laws to regulate their conduct. All the questions they fain would ask were fully answered, and no room remained for conjecture.
