## MANUAL OF NURSING HOME PRACTICE FOR PSYCHIATRISTS

American Psychiatric Publishing. Paperback. Book Condition: new. BRAND NEW, Manual of Nursing Home Practice for Psychiatrists, American Psychiatric Association, Committee on Long-Term Care and Treatment of the Elderly, James A. Green, The shifting demographic toward a "graying" population -- coupled with today's reality of managed care -- makes the need for high-quality, cost-effective psychiatric services within the nursing care setting more urgent than ever. As we increase the number of our years, it is also imperative that we enhance the quality of those years. The product of the American Psychiatric Association's (APA's) Council on Aging and its Committee on Long-Term Care and of the Elderly, the Manual of Nursing Home Practice for Psychiatrists stands out because it focuses on the "how" -- not the "why" -- of nursing home care. Of exceptional importance is its detailed discussion of the Minimum Data Set (MDS), a structured assessment required by both Medicare and Medicaid for all residents of skilled nursing facilities. Divided into six sections, this "how to" volume contains practical information readers can use right away, from getting reimbursed by insurance companies to handling nursing facility politics: \* Clinical -- History; evaluation and management of psychiatric problems in long-term care patients; an overview of the MDS; sexuality within the nursing home care setting\* Regulatory -- Introduction to the Nursing Home Reform Act of 1987 (part of OBRA-87) and its implications for psychiatric care; details about the Resident Assessment Instrument (RAI), which includes the MDS, the Resident Assessment Protocols (RAPs), and Utilization Guides specified in the State Operations Manual (SOP)\* Financial -- Documentation, reimbursement, and coding; what to look for when contracting with nursing homes\* Legal and ethical -- The dehumanizing effect of diagnostic labels and the ethical issues inherent in regulating daily schedules (e.g., bed, meal, and bath times); nursing home...
