THE DREAM

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Lacy s nightmares started at five years old: ghastly lucid dreams of soldiers shooting children, young women viciously raped, doctors murdering their patients. It was just a dream, Lacy says to herself, or was it? An incredibly intelligent and artistic child, Lacy s lack of sleep begins to alter her physical appearance and she is relentlessly tormented and bullied by her peers. Boneyass seemed to be the vernacular that stuck and even kids who didn t know me called me Boneyass not in a mean or belittling way, just as a familial greeting. Deeply moving, The Dream will make you smile and make you cry and will stay with you forever.
