Since the new curriculum reform, closely linked to teaching materials for college entrance examination, syllabus and examination shows that emphasis on basic knowledge, skills and methods, the proposition humane, no tricky question of strange questions, not the minutiae at make things difficult for students. This trend is specified for the Entrance Exam and the direction - pay attention to the basis. We are talking about here is based on basic knowledge, basic skills, the basic approach, saying a short step, a thousand miles based on the importance of clear, firmly in the hands of the foundation, basic, typical problems understand a good grasp of the formation of a methodical, contact the branch of clear knowledge network, will it be possible to improve the ability to analyze and resolve integration issues. College entrance examination question based on the degree of difficulty can be broadly divided into basic questions, mid-range problems and difficulties, the basic question in general to examine a single basic knowledge, it is easier, as long as you work hard, can score; mid-question and the problem is a series of single issue should be integrated, on the basis of knowledge and flexibility in the use of examining only a single problem to solve, to overcome, we can see if the basics are not solid, it can not solve a single problem, it would not use, it is impossible to score high. So we say high from the foundation of this set of books is adhering to a concept design, the majority of candidates can be selected book in a review from the outset to lay a solid foundation. In order to...
