Date :2011-09-01 version 1. Do not let that lonely spring to help study by Xu. Fei Yuan editor. Do not let that lonely spring. as follows: spring. in people's minds should be green. green represents spring. trees recover. green is a lively. beautiful and healthy vocabulary. we need to green the earth. Our lives need the green. However. in recent years. the spring should have some green. but in gradually disappeared as the desert continues to expand. the birds sing less and less. gradually exists only in our memory . . development should not be at the expense of the environment price. because we human beings should not desire to own a home and destroy the appearance of our existence! Green earth needs. human needs spring! Between people and the environment should be a harmonious relationship. We humans not only to vigorously strengthen scientific and technological progress. but also to make rational use of resources; no longer the destruction of the ecological environment and the direction toward the improvement. Human beings should follow a natural. economic. social and sustainable development of lasting coordinated way. this kind of understanding for each of us. especially young students is of great significance. Let us work together to make our planet away from the no flowers of Silent Spring. Spring said we must not let loneliness! Contents: Chapter I see: the beauty of a planet was the Earth Mother of the vicissitudes of life / 1 Second. the unique cradle of life / 2 Third. the Earth Song of Life / 5. four. East African Warrior story / 7 Fifth. the Earth the first six billion...
