University of Washington Press. Paperback. Book Condition: new. BRAND NEW, Recent Archaeological Discoveries and Biblical Research, William G. Dever, Archaeology and Bible--two simple terms, often used together, understood by everybody. But are they understood properly? If so, why are both subject to such controversy? And what can archaeology contribute to our understanding of the Bible? These are the problems addressed by Professor Dever in this book. Dever first looks at the nature and recent development of both archaeology and Biblical studies,...
