

Another Jesus Calling: How False Christs Are Entering the Church Through Contemplative Prayer

By Warren B Smith

Lighthouse Trails Publishing, United States, 2013. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. When former New Ager Warren B. Smith read Jesus Calling, he became greatly concerned, finding it troubling to see a number of New Age practices and concepts being presented as completely normal for Christians. Even more troubling, there were no warnings or disclaimers about what was being introduced. By the end of the book, Jesus Calling and its Jesus had subtly, and not so subtly, introduced occult/New Age channeling, spiritual dictation, creative visualization, meditation, divine alchemy, co-creation with God, and practicing the presence like it was everyday Christian fare. New Age terms and concepts were brought into the messages like they were no big deal. And added to this were indirect references to a pantheistic poet and two classic New Age books, along with a hearty endorsement of God Calling - the channeled book that inspired Sarah Young to try and receive her own personal messages from Jesus. The unusual use of language by the Jesus of Jesus Calling was also disturbing.
