Lulu.com, United Kingdom, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There s just something about a fire. It calls to us, pleases us in a way that few other things can. These grilling recipes will tantalize your palate and bring nutritious food to your table! We grow up with memories of roasting hot dogs over a campfire or grilling steaks and burgers at a Sunday picnic. But grills are so much more than these basics. They can make any dish tasty. Think beyond summertime! In our family we dig a path through the snow to get to the grill, and we grill food while the snow is falling around us. Grilling is just that special! I ll note that we use a Weber Silver grill with three burners front-to-back for these recipes. If your grill has a different setup, you ll want to adjust accordingly. Version Note: This is an early version of this grilling book. It currently has 15 recipes in it, including recipes for a marinade and sauce. I m eager to add in more recipes - just let me know what you d like for us to grill!.
