By Leonorita Johnson

Trafford Publishing, Canada, 2009. Paperback. Book Condition: New. 280 x 210 mm. Language: English . Brand New Book ***** Print on Demand *****.Lillie Dillie Start Wealthy is a teaching tool which integrates literacy and economics on a level that children can relate to. Practical money management strategies and application of financial principles learned in the projects influence readers to stay on the course of building wealth. This book is easy to understand and the activities make sense and are relevant to the readers. It is a great source to supplement home and school literacy and math curriculum. The weekly projects are ongoing. The intra-comprehension questions within the literacy section facilitate family and group discussions. The Teaching Aids section also contains songs that teach concepts about money, math, test-taking skills, multiplication tables, and much more. The Multiplication Shake music CD is ordered separately on It provides vocals and instrumental music to inspire the children to be happy learners. Play our music to get the children moving, dancing, singing, color-coding. These are key factors in assisting children in retaining information and improving their achievement.
