Modern Curriculum Press, United States, 2011. Mixed media product. Book Condition: New. 246 x 208 mm. Language: English . Brand New Book. The ability to read well requires that your child be able to recognize words and their meaning and comprehend the idea of the text. Modern Curriculum Press (MCP) Comprehension Plus is designed to help your child become a fluent and competent reader. As you go through the program, your child can focus on honing these key Comprehension ideas: Contrast and compare numerous accounts of an event, told from different points of view, from a story he or she has read. Articulate the ways in which individual chapters or scenes contribute to a story's main ideas and themes as a whole. Discuss the character and plot development that occurs in a text. Pick...
