Reviews

The ebook is simple in go through preferable to comprehend. Better then never, though i am quite late in start reading this one. Its been printed in an exceptionally simple way and it is simply right after i finished reading through this pdf in which in fact altered me, affect the way i believe.
(Prof. Corbin Hilll)

CONGOTRONIC

University of Iowa Press. Paperback. Book Condition: new. BRAND NEW, Congotronic, Shane Book, At Once original, strange, Funny, and unnerving, Shane Book's Congotronic takes the reader into unstable territory, where multiple layers of voice, diction, and music collide. Some of these poems have the sparse directness of a kind of bleak prayer; others mingle the earthbound rhythms of hip-hop with the will-to-transcendence of high Romanticism. Harnessing techniques of the cinematic and audio arts, Book's poems splice, sample, collage, and jump-cut language from an array of sources, including slave narratives, Western philosophy, hip-hop lyrics, and the diaries of plantation owners. In fusing disparate texts, each poem in this collection attempts to create a community in language. Thus, at its core, the project is utopic--or more precisely, to borrow from Duke Ellington--the project is "blutopic." The book's anchoring series contains an apocryphal narrative grounded in the journey of the Middle Passage and an older mythic history from the West African epic of Sundiata. Here elements of Afro futurism coagulate with an R&B grin as social forces challenge a sense of personhood, prompting free-jazz inflected conversations between the pieces of a shattered, polyvocal self. Here is a world poet of the Sonic Global South sheathed in a Northern Hemispheric glow suit, high "on Coltrane, on Zeus" but also on the old and new schools of Descartes, M.I.A., Cecil Taylor, Gilbert Ryle, Freud, and Jay-Z, among others--or as one poem puts it, the "aural truths."
