

Death, It's a Small Price to Pay: The Future Is Filled with Danger and Adventure

By Kiki Fishel

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Thirteen-year-old Jason and his skateboarding colleagues are trying to stay one step ahead of a secret committee of public servants ready to slaughter thousands. The motive? It seems the bad guys want control of the over-the-counter drug market, and killing is the best way to do it. Things are different in the year 2041, but mass murder is still a serious crime. Go figure. The future is full of new technology and social change, and while many are quite happy with their structured lives, there's a large faction of citizens that feel the need to break away from the controls. News of civil hostilities fills the communications network, and is reminiscent of the divisions rampant during the Civil War era in American history and Jason jumps, grinds, and stumbles himself right into the middle of the chaos. A stranger approaches Jason with a deal that's hard to refuse. Win a spot on the prestigious school skateboarding team by simply agreeing to observe members of Congress during the team's scheduled tour of the...

Reviews

This book is great. It is written in simple words and not difficult to understand. I discovered this pdf from my dad and i suggested this ebook to find out.
