

The Smaller British Birds: With Descriptions of Their Nests, Eggs, Habits (Classic Reprint)

Filesize: 6.22 MB

Reviews

This ebook is very gripping and fascinating. Sure, it is engage in, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ms. Ora Buckridge)

THE SMALLER BRITISH BIRDS: WITH DESCRIPTIONS OF THEIR NESTS, EGGS, HABITS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Smaller British Birds: With Descriptions of Their Nests, Eggs, Habits There are some subjects of which the public are never tired of reading, nor authors of writing, and one of these is Birds. A new book on this subject can never be out of season; provided it is written in a loving and appreciative spirit, always will it find readers, although it may contain nothing particularly original or striking. Year after year the trees bud and blossom, and put forth leaves and fruitage; year after year the beautiful flowers carpet the woodlands afresh with variegated dyes, paint the meadows with delight, and make the earth one blooming garden; year after year the sweet spring calls forth the native songsters to renew their interrupted melody, and the air is windowed by countless wings of the feathered voyagers, who pass the winter in warmer climates; and always is the fresh verdure, the unfolding of the flowers, the burst of vernal melody, and all the lovely sights and sounds, and indications of reviving nature, a source of delight to the thoughtful and reflective mind. So it is with a new book on Birds, or Flowers; it is always welcome, for truly has the poet said A thing of beauty is a joy for ever. Our present endeavour is to produce a book which shall give a concise, yet sufficiently full description of the smaller British Birds; not a scientific book, but one essentially popular in its character, rendered attractive by life-like portraits of our feathered clients, drawn and coloured as closely to nature as the eye and the hand of the artist can make them, and arranged in...
