Brand New Book ***** Print on Demand *****.Santa Carolina is a moderately affluent scion of Southern California suburbia, within a short commute to the county court house and home to a public high school whose students begin to discover the secrets of a cave just on the edge of town. Nestled and hidden amid brambles, sage, and poison oak bushes, the limestone cavern houses a museum quality display of strangely glowing mineral crystals that seem to possess a special power of transformation. As the story unfolds, the protagonist finds himself enmeshed within a conspiracy larger than he could have ever imagined. All the while, he must pretend during the day (in...
