Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

OPERATION TOTALIZE 1944: THE ALLIED DRIVE SOUTH FROM CAEN

Bloomsbury Publishing PLC, United Kingdom, 2016. Paperback. Book Condition: New. Johnny Shumate (illustrator). 248 x 184 mm. Language: English . Brand New Book. In Operation Totalize, Lieutenant-General Guy Simonds II Canadian Corps launched an attack from its positions along the Bourguebus Ridge south of Caen, striking south-southeast astride the main Caen-Falaise road toward the high ground that dominated the town of Falaise and the key west-east lateral road that ran through this town. Using sophisticated operational art the initial break-in achieved rapid success; indeed, more tactical success than any previous Allied break-in attack in Normandy. However, despite this rapid initial success, Totalize did not subsequently secure a decisive operational-level victory. Indeed, Simonds forces subsequently struggled swiftly to complete the second break-in battle, and to transit into rapid exploitation operations. Had Simond s force been successful the German army may not have been able to extract themselves from the Falaise pocket and would have been surrounded and defeated - possibly bringing about the early end of the war in Europe.
