Sourcebooks, United States, 2010. Paperback. Book Condition: New. 2nd. 150 x 127 mm. Language: English . Brand New Book. This updated laugh-out-loud take on partisan stereotypes skewers both sides of the political aisle with equal glee. The follies and foibles that make the political world spin will trigger guffaws and giggles- no matter which party you call your own. You Know You re a REPUBLICAN If. You re really looking forward to Sarah Palin running for president. You think Glenn Beck and Rush Limbaugh are intellectual powerhouses, and you ve learned much from their wisdom. You philosophically oppose government welfare plans, but you cash your Social Security checks religiously. You ve accepted that global warming is real, but you don t believe we should recklessly raise taxes to fix it. You have, however, invested in future beachfront property-twenty miles inland. You Know You re a DEMOCRAT If. You re really, really looking forward to Sarah Palin running for president. Everything you know about politics you learned from Jon Stewart and Stephen Colbert. You re philosophically appalled by corporate America s emphasis on profits, but you sure were ticked off when your retirement investments tanked. For a long time now you ve known that: The sky is falling! The sky is falling! No, wait. The sky is cooking! The sky is cooking!.
