Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Eminent Victorians, Lytton Strachey, John Sutherland, Cardinal Manning \* Florence Nightingale \* Thomas Arnold \* General Gordon Lytton Strachey's biographical essays on four 'eminent Victorians' dropped a depth-charge on Victorian England when the book was published in 1918. It ushered in the modern biography and raised the genre to the level of high literary art. Lytton Strachey approached his subjects with scepticism rather than reverence, and his iconoclastic wit and engaging narratives thrilled as well as shocked his contemporaries. Debunking Church, Public School and Empire, his portraits of Cardinal Manning, Florence Nightingale, Dr Arnold of Rugby, and General Gordon of Khartoum changed perceptions of the Victorians for a generation. This edition is unique in being fully annotated and in drawing on the full range of Strachey's manuscript materials and literary remains. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
